**Sayu'x Wey is the breath that moves you forward in life.** When you are a victim, and you are worn down and tired and want to give up...When you are not getting your needs met...**Sayu'x Wey comes into your life and gives you the strength to move forward and make a change.** — DEE KOESTER, MS, FOUNDER & EXECUTIVE DIRECTOR

**Sayu'x Wey Family Safety Center** provides a comprehensive approach to serving victims and survivors of domestic violence among the seven tribes of the Olympic Peninsula.

**Our shared vision includes** assistance applying for state and tribal benefits, case management, lethality assessment, provision of shelter, job training, relocation help, legal services, mental health services, services for children, community education, advocacy and much more.
